Withern with Stain Parish Council

Your Parish Council needs you! If you:

- Are 18 or over
- Live within a three mile radius of the Parish
- Have lived here for more than one year
- Are on the electoral role

then you are eligible to become a Parish Councillor. We currently have two vacancies and would welcome an informal discussion regarding the role. Please email parishclerkwithernstain@gmail.com

At the meeting on 22nd November 2022, the Parish Council decided to keep the precept the same for the coming year. This has not needed to be increased for a few years now, and with the current cost of living increasing, it was agreed to continue with the current precept. Increases may occur in further years as Parish Council costs increase.

The defibrillator donated to the village by Andrew Piaskowski is now in situ on the exterior of the Chapel. We hope you never need to use it, but this life saving equipment is accessible to all. Full details would be given in the event you call 999.

There will be an unveiling ceremony on 22nd January, at approximately 11:45am.

You will have noticed the Speedwatch group have been out and are doing a fantastic job of reducing speeding in the village. On average, we are recording 10% of drivers speeding. If you would like to help out, even if for only a few sessions per year, then please join us. More details can be obtained from parishclerkwithernstain@gmail.com

Please get in touch if there are any other issues you would like to raise. Minutes and agendas are available on our website, withernstain.parish.lincolnshire.gov.uk

Announcements

Mick Stones and family are sad to announce that Margaret Stones of Stain Lane, Withern sadly passed away at home on 19th December. Margaret's funeral took place on 12th January. Our thoughts are with her family and friends at this time.

Withern Village Hall

Withern Village Hall Committee are desperately seeking new members; we cannot continue to operate without your help.

- We meet in person every 2-3 months; anything in between can be discussed on a WhatsApp group.
- We need Committee members who can bring ideas to the table and help to run events.
- We currently have one coffee morning per month, plus one other event (e.g. quiz, bingo, social night).
- We have recently refurbished toilets, a new bar area and are applying for funding for other upgrades.

If you would like more information, please email withernvillagehall@gmail.com or contact a Committee member.

Annual Flower & Vegetable Show

Planning is well underway for this year's Flower and Vegetable Show.

If you are able to volunteer to help with running a games stall on the day, or have any raffle/tombola prizes to donate then please email withernvillagehall@gmail.com or contact a Committee member.

Digital copies of the Programme are now available, please email withernvillagehall@gmail.com

Race Night - Sponsors Needed!

Withern Village Hall will be hosting A Night at the Races on Saturday, 25th March (further details will be announced in due course).

What is a Race Night?

Our Race Night will consist of ten horse (or other animal!) races, shown on a screen. Attendees receive a race card upon arrival, then place bets on the horses and receive tote tickets. As all races are on pre-recorded media, the outcome is completely by chance.

What does Sponsorship involve?

Your business name and/or logo will be displayed on our marketing material, the race card, screen and also all betting slips for your race. All we would like in return is a prize for our Raffle; this could be a voucher for your services, bottle of wine - or something else entirely.

All monies raised are going towards much needed improvements for our village hall.

If you are interested, or for any further information then please email withernvillagehall@gmail.com
